

What is E.G.G?

Hello, and welcome. Now I'll bet you're all wondering: What the shell is E.G.G? Well, allow me to enlighten you. E.G.G. is the story of three friends, and the adventures (or misadventures) they embark on in the ever-expansive Marvel Universe. It is a fully realized, complex story that will (hopefully) provide you with pure entertainment on a daily basis!

The World of E.G.G

E.G.G. takes place in my own version of the Marvel Universe. No, I didn't take a bunch of liberties like making Iron Man a girl and giving Spider-Man a boyfriend. I simply merged three existing Marvel Universes (616, Ultimate, and Cinematic) into one big expansive universe, taking the best elements from all of them to come up with the best story possible.

Okay now seriously, what the shell is E.G.G!

I'm glad you asked! E.G.G. stands for Experimental Governments Gadgets. It is a subdivision of S.H.I.E.L.D. tasked with manufacturing, storing, and distributing their weapons, gadgets, and any other trinkets deemed too risky to keep aboard S.H.I.E.L.D.'s flying fortress known as the Helicarrier. E.G.G. is run and operated by three friends that face a new challenge every day, whether it be a super villain break-in, a fellow hero in need, or an epic rap battle to the death! Yeah, it gets real like that. Now, let's meet the characters of our epic tale!

Josh

Gender: Male

Height: 5'1"

Weight: 145 lbs

Eyes: Brown

Hair: Black

Race: African American

Rank: Director

Bio: Joshua Westbrook is the Director of E.G.G. That means he runs everything. Josh was a simple analyst at S.H.I.E.L.D., floating beneath everyone's notice, content with his position in the spy organization. But when Josh realized that S.H.I.E.L.D. was constantly being attacked and having their tech stolen, he approached Nick Fury with an idea: E.G.G. Now Josh runs the place, and oversees all that happens aboard Mother Egg. Josh is not who you'd necessarily call director material, as he often acts impulsively and is a bit of a screw up. But with Eileen and Acacia by his side, Josh is ready for any challenge that may come his way.

Eileen

Gender: Female

Height: 4'5"

Weight: 87 lbs

Eyes: Blue and Green

Hair: Copper Red

Race: Caucasian

Rank: Commander

Bio: Eileen Wuthrich is Josh's second in command, although you wouldn't know that by looking at her. Eileen is tough, coordinated, quick thinking, and often solves problems better than Josh could ever dream to. She is very by the books, and all around the perfect agent. Josh's best friend since the 6th grade, she joined S.H.I.E.L.D. with him, and was his number one supporter when he decided to start E.G.G. Eileen is very much the other side of Josh's coin, and will do anything to make sure he succeeds.

Acacia

Gender: Female

Height: 5'9"

Weight: 92 lbs

Eyes: Brown

Hair: Brown (with dyed purple streak)

Race: Caucasian

Rank: Captain

Bio: Fun friendly, outgoing, and a bit of a spaz, Acacia is third in command of E.G.G. She met Josh through Eileen and the three have been friends ever since. Acacia was a special field agent at S.H.I.E.L.D., but could not resist joining up when she got the invitation from her friends to start E.G.G. Acacia likes to mess around with the inventions... which is very dangerous at times. But when push comes to shove, Acacia can bail her friends out of any kind of trouble. Some say that she's so chipper to mask a darker past.

See you in the Egg-Verse!

Alright, now that you know all you need to know, get ready for a nonstop, action packed blast of fun and adventure! I will keep posting new episodes of E.G.G. here and hope that you, my fellow True Belivers, love it as much as I do! E.G.G is the next big thing in the Marvel Universe, and I want you all to be a part of it! I hope you'll read, and above all, enjoy!
