Celeste Aoki: Diary Entry 1

January 1, 2013

Dear Diary,

Today was a horrible, horrible, horrible day! My mom died helping Auntie Acacia and E.G.G. fight Dr. Doom. Just hearing his name makes me angry, and I've been hearing it a lot lately. I'm sorry for getting you wet Diary, but I can't stop crying. I don't know who's going to tuck me in, or make me blueberry waffles, or do any of the things mom could do. Ms. Wuthrich says that her, Mr. Westbrook and Auntie Acacia are going to take care of me, but it won't be the same. I'll try and be a good girl. The last thing mom said was that I was a good girl. I want to make sure she's proud of me. I miss mom, I just want to turn around and have her be here, waiting to hug me. But even though she died, she's not gone. Auntie Acacia said mom didn't go away, she's still here in my heart, and she'll always be with me. So I'm sorry to say Diary, but this is the last time I will be writing to you. From now on I will be writing to my mom. I'll save all of your pages and remember the times we shared. And who knows, one day, I may reread

everything! Every last entry! I love you Diary, and I will miss writing to you, but I need to keep in touch with my mom. I know you think it's crazy, but think about it like this. I love my diary, and I love my mom. Love comes from the heart, and that's where my mom is! So I can talk to her by writing in my diary! It'll be like she never left. So goodbye Diary, I may write to you again someday, but now it's time for a new chapter.

Much love,

Celeste

End of translation.

Goodbye.

“A mysterious diary entry. I’ve got to find the rest of these pages and piece together what I can! It may hold the answer to stopping the Dark Day before it happens! Aw shock, I’m gonna miss dinner with Dana again...”
