MJ: Yeah, no problem Pete. Where did you get this car anyways?

Peter: Mr. Stark gave it to me!

MJ: Tony Stark gave you a car you can't even drive?

Peter: Yeah, he said he was bored and he had an hour to kill, so... he made it for me! I don't think he knows that the last time I tried to drive I wrecked Flash's car...

MJ: Haha, yeah, that was awesome.

Peter: I know right!

MJ: So what is it you do in here again?

Peter: Well, I wait for J. Jonah Loudmouth to finish his 'Just the Facts' rant, then I lock him out of his own News Room and film the Face Front News Flash! It's super hilarious!

MJ: You ever think that this guy hates you because you pull stunts like this?

Peter: Nah, JJ's just a stick in the mud.

MJ: Whatever you say.

Peter: Anyways, I shouldn't be long, you gonna wait for me?

MJ: I'm pretty hungry, I might run around the corner to Delmar's. You want anything?

Peter: Ooh, yes! Get me a number 5 with pickles, and tell them to smooch it down real flat!

MJ: You ever try the sub haven?

Peter: Eh, too much bread.

MJ: What'd bread ever do to you?

Peter: I'm gonna go ahead and opt out of that explanation with a solid 'Bo'.

MJ: Wow, okay, get out of the car!

Karen: Stark Industries network not found.

Spider-Man: Wait, wait, wait, what do you mean 'Stark Industries' not found? Try again!

Karen: No Stark Industries satellites are detected Peter.

Spider-Man: Where on Earth am I!

Green Goblin: Right where we want you.

Green Goblin takes Spider-Man away.

Green Goblin: Ahahahahaha!

Spider-Man: Whoa! Who the heck are you? And do you have a license for this thing!

Green Goblin: Don't remember me? No matter, soon you won't be remembering anything! Ahahahaha!

Spider-Man: Toomes? What are you doing here? I thought you were in prison!

Vulture: I got out on good behavior!

Spider-Man: Somehow I doubt that! Why are you doing this? Think about Liz!

Spider-Man: Gnn, let me go!

Kicks free but is grabbed and slammed by tentacle.

Molten Man appears.

Spider-Man: Molten Man? No... No this won't work! I know the Elementals aren't real Beck! I told you, you can't trick me anymore!

Mysterio: We'll see about that.

Fight with Molten Man. Other Sinister Six member pop in. Wear Spidey down. Multiple Mysterio's appear.

Mysterio: Remember when we fought together Peter? We were on the same side!

Spider-Man: Stop!

Mysterio: Then you betrayed me!

Spider-Man: Stop lying to yourself Beck! You turned out to be the fraud!

Mysterio: What's the matter Peter? Seeing double?

Spider-Man: Come on Peter Tingle!

Punches through fakes and hits real Mysterio. Illusion drops, Sinister Six is standing there. Peter falls to knees.

Spider-Man: You think I can't... beat you all...

Faints.

Doc Ock: Peter Parker. Brilliant, but lazy.

Green Goblin circles laughing.

Green Goblin: Aw, what's wrong? Can't Spider-Man come out to play? Hahahaha!

Electro: Soon, this world will know what it's like, to live in a world without power. Without mercy. Without Spider-Man.

Venom lands on roof.

Eddie: What was that... Venom? Where are we? And why do we look different?

Venom: We've been transported to another dimension.

Eddie: Wait, wait, wait... what? How do you know that?

Venom: I've been around for centuries Eddie. I've seen things in space you could never even dream of. This was the work... of the Infinity Stones.

Eddie: Infinity what now? You know what? Never mind. Let's...

Hears commotion.

Eddie: What was that?

Eddie: Aw, come on Venom! Remember when I told you that we needed to hurt bad people!

Venom: Let me guess... bad guys?

Eddie: Yeah, bad guys.

Venom: Hmm... Very well. We will help. But only if we get tater tots after this.

Eddie: Done deal pal. Now come on, let's go save this kid.

Venom leaps down and roars.

Doc Ock: What on Earth are you?

Venom: We. Are Venom.

Beatdown to Venom soundtrack. Spider-Man wakes up.

Spider-Man: Unh... what...

Venom: Are you alright?

Spider-Man: I... I think so... Wow! Did you take all those guys down? Thanks!

Spider-Man: What... what do you guys want from me...

Green Goblin: Isn't it clear by now? We want revenge! For everything you've done!

Spider-Man: I don't even know who half of you are!

Lizard: And you never will!

Venom webs, Doc Ock grabs.

Electro: Now, where we?

Vulture: Tough luck Pete.

Mysterio: No Avengers to save you now.

Spider-Man: NOOOO!!!!

Suddenly Electro and Venom are webbed and Doc Ock is kicked away. Peter falls.

Amazing Spider-Man: Hey Spider-Man.

Peter looks up.

Spider-Man: Ugh, are you here to kill me too?

Amazing: Wha- No! I show up in the exact same skintight red and blue suit as you and you think I'm here to kill you? You have the mind of a true scholar my friend.

Spider-Man: Wait... you're...

Spider-Man: You're like me.

Amazing: I am. And I'm not the only one.
